PROJECT RANGE

Built properly. Managed by a professional.

Easy Plans DB is a design and build contractor based in Woodford, Essex. The business was founded by a building surveyor and a builder, who have more than 30 years of combined experience in construction.

We handle every stage ourselves: initial drawings and design, planning permission, building regulations approval, project management and the build itself. That means you never have to manage a separate architect, structural engineer, surveyor and builder.

WHAT SETS US APART

Three things most builders can't say.

01

A surveyor runs your job

A qualified building surveyor oversees your project from the first site visit to handover. It's a professional credential, not a sales rep's promise.

02

Design and build in one

Drawings, planning and building regs are handled for you. You won't need to hire an architect and then go looking for a builder.

03

Our own trades

Our qualified bricklayers, carpenters, roofers, electricians, plumbers and plasterers work on your job. We don't subcontract it out.

WHERE WE WORK

East London & Essex.

EAST LONDON • E	Stratford • Leyton • Walthamstow • Forest Gate • South Woodford
ILFORD • IG	Ilford • Woodford Green • Chigwell • Loughton • Barkingside
ROMFORD • RM	Romford • Hornchurch • Upminster • Gidea Park • Dagenham
CHELMSFORD • CM	Chelmsford • Brentwood • Billericay • Ingatestone
SELECTED DA & ME	Selected projects across Dartford and Medway

One team. Every stage.

FULL REFURBISHMENT

Whole-home renovation

Kitchens, bathrooms, layouts, first fix to final finish. Every trade is managed under one roof.

FROM £50,000

LOFT CONVERSION

Space you already own

We handle the drawings, structural work and building regs, and deliver a finished room.

FROM £50,000

EXTENSIONS

Rear, side & wrap-around

Single-storey, double-storey and wrap-around extensions, designed, approved and built as one project.

FROM £50,000

Also: basement and garage conversions, and new builds.

HOW WE WORK

From first call to handover.

- 1 Free consultation**
A call with the Easy Plans DB team to discuss your project, what you want to achieve, your budget and your timeline.
- 2 Surveyor site visit**
Dave visits your property and assesses the building, the space and what's possible before anything is drawn or priced.
- 3 Design, drawings & approvals**
We produce the drawings in-house and handle planning permission and building regulations for you.
- 4 Written quote**
A clear written quote built from your drawings and the conditions on site, so you know exactly what you're paying for.
- 5 The build, surveyor-managed**
Our own trades carry out the work, with a building surveyor overseeing the job from start to finish.

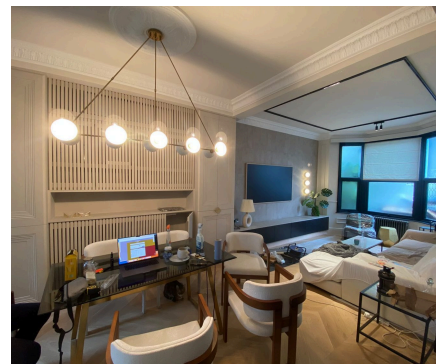

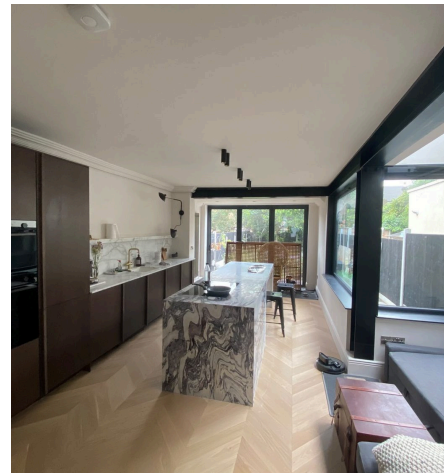

Recent projects.

PROJECT 01 • EXTENSION & FULL INTERIOR

Open-plan kitchen extension

Rear extension with exposed steel, full-height glazing, herringbone flooring and a dark kitchen with a statement marble island, plus a fully finished living and dining space.

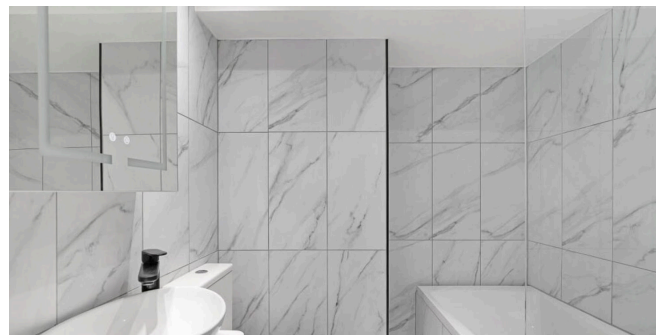

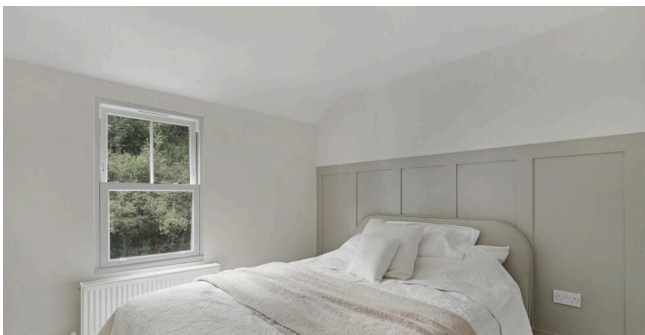

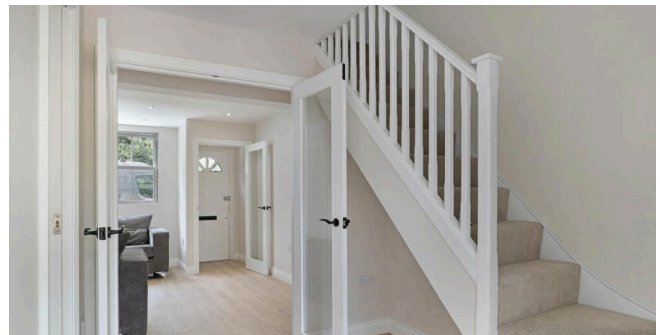

01

Light-filled kitchen extension

Single-storey rear extension with roof lights and bi-fold doors onto a new patio, a shaker kitchen with a stone island, and a full refresh of the bedrooms, hallway and bathroom.

02

Contemporary gabled home

A striking gabled home with full-height glazing, set behind a gated driveway with rendered piers and a new tarmac drive.

03

Bathroom finishes

Large-format stone-effect tiling, walk-in glass showers, wall-hung sanitaryware, double vanities and integrated lighting.

04

Quality. Honesty. Delivery.

✓ CHECKATRADE

Verified reviews from homeowners on the Easy Plans Design and Build Ltd Checktrade profile, across Romford, Upminster, Ilford and East London.

10 Loft conversion & double storey extension

RM14

“Excellent experience from start to finish. Dave offered advice and guidance throughout the build and gave solutions that helped us achieve more than we could have expected. They stuck to quote and the timeline they gave for completion. The aftercare has also been amazing. Highly recommend.”

✓ Verified Checktrade reviewer

10 Loft conversion

IG2

“All the plans and building works undertaken by Dave. The building work was carried out to a very high level. Dave took control of everything and I had no stress getting involved with this project. Dave's expertise in planning allowed us to even have an en-suite in the loft.”

✓ Verified Checktrade reviewer

9.75 Loft extension & full house refurbishment

IG3

“We needed the work to be completed within 3 months, and to Dave's word the work was completed within the time frame. The quality and workmanship was excellent.”

✓ Verified Checktrade reviewer

10 Loft conversion

RM1

“Converted my loft to a double bedroom with an en-suite. The work was completed with no delays as well as a quality finish.”

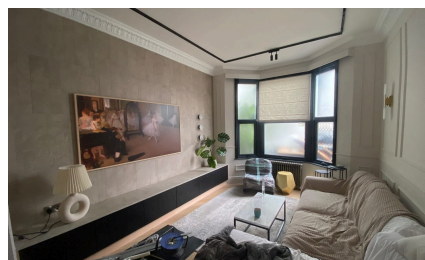

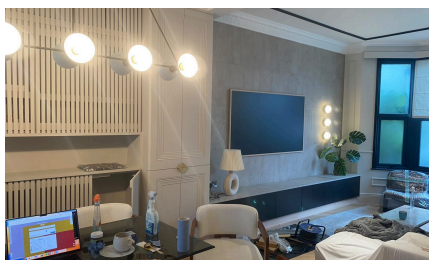

✓ Verified Checktrade reviewer

10 HMO conversion

E7

“Done really well and really reliably. Very helpful and respectful to neighbours. Friendly and polite.”
